

Fire Safety Alert
Have you made a
fire escape plan
recently?

The following is a list on how to prepare one.

Draw a map of your home. Show all doors and windows.

Visit each room. Find two ways out.

All windows and doors should open easily. You should be able to use them to get outside.

Make sure your home has smoke alarms. Push the test button to make sure each alarm is working.

Pick a meeting place outside. It should be in front of your home. Everyone will meet at the meeting place.

Make sure your house or building number can be seen from the street.

Talk about your plan with everyone in your home.

Learn the emergency phone number for your fire department.

Practice your home fire drill!

JUST DO IT!
