

September 4, 2020

Aloha Owners,

Hope all is well with you and your ohana.

Just a reminder to **Please Drive Safely** and observe the 20mph speed limit within KBTS. Watch for pedestrians, bicycles and golf carts.

Please be **extra vigilant at all intersections and driveways.**

The Board and the Landscape Committee have identified some overgrown common area vegetation encroaching on sightlines at certain intersections and we are addressing the Issue. Please remember to **Drive Friendly!** Thank you so much!

Message from your Kohala by the Sea Board of Directors.

Much Aloha - Dom
