

Fifteen Years of
Firewise
participation will
be recognized in
a ceremony on
Friday, February
21, 2020 at 10
am.

The **first** Firewise Community in Hawaii, Kohala By The Sea, is being celebrated at the South Kohala Fire Station (Station 14) located at 68-4550 Queen Ka’ahumanu Highway this month.

Recognition by Hawaii Wildfire Management Organization and the Division of Forestry and Wildlife will be presented to the Firewise Committee in appreciation of the efforts and accomplishments in the last 15 years of participation in the program.

Mahalo to all who have served on the committee during the 15 years of implementation and a big thank you to all the community members who help to keep our homes protected from fire by following the Firewise guidelines.

WE DID IT!

Brought to you by the Kohala by the Sea Firewise Committee
