

Every year we send out a checklist for evacuation and we found a new one to use, if you'd like.

## Fire Safety Alert

In May we sent out the new home inspection form for self-assessment. If you'd like us to do one for your house, you can contact Jane Mayo at (717) 578-8124 or [islangrljm@aol.com](mailto:islangrljm@aol.com).

Again, it is only a guideline and every fire should be treated differently based on its urgency and severity.

You may already have your go bag prepared and ready to go and we commend you for your preparedness. Way to go! The following shows some time frames as a suggestion for what to pack given how much time you have to start and prepare for action. We hope to never have to use it, but printing it out and keeping it with important papers could help when the stress of a disaster clouds the thinking.
