

Aloha KBTS owners,

The Board is happy to report that a contract has been signed with Hercules Construction for restoration of the damage which occurred along Hokulele Dr and to Honukai PI during the storm last May.

Hercules is expecting to mobilize during the week of March 3. Overall, the project is expected to be completed in 60-90 days. Work will start first on Honukai and then proceed to Hokulele.

The contractor will have trucks and heavy equipment operating within our community. Please drive care around their equipment. You may see material piles stored on Association land and easements beside the Honukai cul-de-sac and along Hokulele below the intersection with Honukai. Please keep access to these stockpiles clear.

If you have any questions about this communication or the restoration project, please contact our Community Manager Leah Debina LeahD@associahawaii.com

Mahalo,
KBTS Board of Directors
