

**Fire Safety Alert**  
May is wildfire safety month.

We hope you are enjoying the Spring time.

Firewise is scheduled to do its semi-annual neighborhood inspections in June. Knowing when these inspections take place will help you to have your properties prepared to avoid receiving a fix notification.

The inspections are required to remain a Firewise Community. Let's work together to keep our neighborhood safe.

Mahalo to those that keep up your property, it really helps prevent fires and keeps the cost down for our association fees.

***JUST DO IT!***
