

Appointments to the Design Review Committee (DRC)

July 11, 2023

Aloha Owners of Kohala by the Sea,

It is with great pleasure that the Board of Directors announce the following appointments to the Design Review Committee.

Congratulations and mahalo to **Molly Hardin** and **Dean Irwin** who will now serve on the DRC along with **David Kaplan, Debra McCarthy, and Keith Greggor**. David will be transitioning off the DRC and will focus on his position on the Board.

Molly and Dean brings a wealth of experience that will surely be a great asset to the DRC, and we look forward to working with them on this very important committee.

Once again, thank to Molly and Dean for stepping up to the plate to serve your community. Mahalo to all volunteers on all our HOA committees for their continued support and dedication for your Kohala by the Sea Community.

With Aloha,
